

# Recall & Response Workshop

for  
Retail Raw Milk & Artisan Cheese Producers

## PROTECTING CONSUMERS & YOUR COMPANY

WSDA Food Safety & Consumer Services Division welcomes you to attend a half day workshop and interactive question answer session. WSDA will walk attendees through the recall process and also allow attendees to visit with one of our state veterinarians on key animal health issues related to raw milk licenses. These workshops are tailored to the specific needs of retail raw milk dairies and artisan cheese producers.

WSDA is offering this workshop in three locations throughout the state. Please register for the workshop that is most convenient for you at <https://wsdarecall.wufoo.com/forms/wsdasponsored-recall-response-workshop/> or contact the WSDA Recall Coordinator, Susie Bautista at [sbautista@agr.wa.gov](mailto:sbautista@agr.wa.gov) 360-902-1961 to sign up. Please register to assure a spot at a workshop.
